2021 NTUST X Project LET'S Go! Summer Program

A part of the University Social Responsibility Initiatives

What is Project LET'S Go!?

PLG is a nonprofit organization that brings young talents from around the globe to work with under-resourced schools. During the program, our volunteer teachers design their own curriculum that promotes art, music, science and critical thinking in an English language immersion setting. Also, we take part in some community activities to gain a deeper cultural understanding.

Who are we recruiting?

We are recruiting college and graduate students with greatest enthusiasms to serve as volunteer teachers. Our volunteer teachers are talented and versatile; they come from a wide range of language backgrounds and nationalities.

When does this amazing summer program take place?

This year, our program runs from July 5 - August 7 and is available in two sessions:

- Session Ocean and Session Mountain
  Starting Date: July 5, 2021
  Teacher Conference: July 5 – July 11 (one week)
  Program Week: July 12 – July 24 (two weeks)
  Total three weeks

- Session East
  Starting Date: July 27, 2021
  Teacher Conference: July 26 – August 1 (one week)
  Program Week: August 2 – August 7 (one week)
  Total two weeks

How much does it cost to join?

NTUST will generously support the participants' program fees. An incredible opportunity!

Wow! I want to join! Tell me how, please.
